

Measures to prevent the spread of SARS CoV-2 virus in Turda Salt Mine

1. Tickets and subscriptions can be purchased at the front desk (credit card or cash) or on the website www.bilete.ro;
2. The treatment room remains closed at least until the 1st of June and the date could be extended until further notice;
3. Face masks are mandatory;
4. Thermal scanning is going to be performed at the entrance and if the body temperature exceeds 37.3° C, the access to the site will be forbidden;
5. It is mandatory to disinfect your hands at the entrance as well as at the elevators;
6. Disinfectant dispensers are found along the tourist route, in marked locations;
7. Access is going to be controlled and supervised by the staff throughout your visit, in order for everyone to keep a safe distance;
8. The access routes for entrance and exit are properly marked with signs that are designed to constantly remind you of the mandatory measures;
9. There are separate routes for ascending / descending towards / from Rudolf and Teresia Mines;
10. The maximum number of people to access the elevator is 3. The elevators are priority for the disabled, elderly, and small children families;
11. The playground remains closed until further notice;
12. The maximum number of people to access the cabin of the Ferris Wheel is 4;
13. The access routes and contact surfaces are disinfected twice a day.
